

PRESS RELEASE!!

Greatario is pleased to announce a new division in the company ... Greatario Post Construction Services.

“We have been in business for 25 years and have built a substantial number of tanks across Eastern Canada, and now it only seems fitting that the next step is to take care of those customers and their needs; Greatario doesn’t just sell and construct tanks, we provide a long-time service” says Scott Burn, President.

Greatario Post Construction Services will provide services such as:

- Tank Inspections
- Maintenance
- Installation of appurtenances post construction (i.e.: antennas, communications and level controls)
- Tank cleaning
